Dear Ms Hassan

**DEVELOPMENT OF A PLAN TO ENSURE AFFORDABLE ACCESS TO AND
EQUITABLE ALLOCATION OF COVID-19 VACCINES: REQUEST FOR A
RESPONSE**

I herewith acknowledge your correspondence about the above-mentioned topic and present my compliments to you and the Health Justice Initiative.

The National Centre has not developed guidelines concerning the development, review and updating of disaster management plans which deal with access to and the allocation of vaccines as the National Department of Health is the organ of state responsible for vaccine related matters.

Kind regards

Dr Mmaphaka Tau

Head: National Disaster Management Centre
