

**THE GOVERNMENT OF SOUTH AFRICA**

and

**GAVI ALLIANCE**

**COMMITMENT AGREEMENT**

**(COMMITTED PURCHASE ARRANGEMENT)**

This Commitment Agreement dated 11 December 2020 and is made between:

- (1) The Government of South Africa; (The "**Participant**"); and
- (2) **THE GAVI ALLIANCE**, a non-profit foundation registered in the canton of Geneva (registry number CH-660-1699006-1) with offices at Chemin du Pommier 40, 1218 Le Grand-Saconnex, Switzerland ("**Gavi**").

**Whereas:**

- (A) The COVID-19 pandemic has already caused the loss of hundreds of thousands of lives and disrupted the lives of billions more. Developing and deploying a safe and effective COVID-19 vaccine is essential to restoring normal economic activity.
- (B) Pooling demand with other countries through a joint mechanism vastly increases the probability of success for each country and global success in stamping out a disease which does not recognise borders.
- (C) Through the COVID-19 Vaccines Global Access facility (the "COVAX Facility"), countries have the opportunity to benefit from a portfolio of vaccine candidates using a range of technology platforms, produced by more manufacturers across the world, with a bigger market to provide security of demand with greater scope than governments or regional groups can support on their own, giving their populations early access to safe and efficacious vaccines.
- (D) The COVAX Advance Market Commitment (the "COVAX AMC") has been established to raise funding to enable Gavi to subsidise vaccine dose purchase through the COVAX Facility for 92 eligible economies through Official Development Assistance funding from donors, as well as through support from private foundations. The COVAX AMC helps ensure that all economies can participate in the COVAX Facility and access vaccines through it.
- (E) Gavi and/or a procurement agency acting on its behalf, will enter into advance purchase commitments with manufacturers for supply of vaccines for the benefit of the Participants. The COVAX Facility aims to procure 2 billion doses of a safe and efficacious vaccine by the end of 2021.
- (F) By participating in the COVAX Facility, the Participants will have access to doses of vaccine candidates as a result of the advance purchase commitments that Gavi will conclude with vaccine manufacturers. As doses from successful candidates become available, they will be allocated to all Participants in accordance with the Terms and Conditions (as defined below). The achievement of this will be subject to the availability of funding, from Participants as well as funding for the COVAX AMC. The total amount allocated to each Participant and COVAX AMC Eligible Economies (as defined below) over time may be more or less than 20%, depending on the funding that is made available as the provision of doses from the two financing streams (funding from Participants and the COVAX AMC) are separate. Lack of funding or readiness by a participant or set of participants would not delay the distribution of vaccines to other Participants in alignment with the Allocation Framework.
- (G) This Commitment Agreement is entered into by a Participant subscribing to the Committed Purchase Arrangement (as defined below).

IT IS THEREFORE AGREED as follows:

#### 7.2 Tax gross-up

- (b) The Participant shall promptly upon becoming aware that it must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify Gavi accordingly. Similarly, Gavi shall notify the Participant on becoming so aware in respect of a payment payable to it.
- (c) If a Tax Deduction is required by law to be made by the Participant, the amount of the payment due from the Participant shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) If a Participant is required to make a Tax Deduction, that Participant shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

  - (ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 7.2.

#### 7.4 Tax Credit

If the Participant makes a Tax Payment and Gavi determines that:

- (i) a Tax Credit is attributable either to an increased payment of which that Tax Payment forms part, or to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and
- (ii) Gavi has obtained, utilised and retained that Tax Credit,

Gavi shall pay an amount to the Participant which Gavi determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Participant.

#### **7.5 Mitigation by Gavi**

Gavi shall, in consultation with the Participant, take all reasonable steps (including completing relevant forms and claiming relevant reliefs and tax credits) to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to Clause 7.2 or Clause 7.3. - (ii) give rise to a separate and independent cause of action;
- (iii) apply irrespective of any indulgence granted by Gavi or any other person; and
- (iv) continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Agreement or any other judgment or order.

#### **8.3 Mitigation by Gavi**

Gavi shall, in consultation with the Participant, take all reasonable steps to mitigate any circumstances which arise and which would result pursuant to Clause 8.1, including using reasonable endeavours to re-allocate Participant Doses which have not been purchased to other Participants. This Clause does not limit the obligations of the Participant under this Agreement, and Gavi shall not be obliged to take any action which it considers (acting reasonably) is prejudicial to it. The Participant shall indemnify Gavi against any reasonable cost or expense incurred by Gavi in taking any such action.

  - (iv) its execution and delivery of this Agreement, the consummation of the transactions herein contemplated and compliance with the terms hereof do not: (a) conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, any indenture, trust deed, mortgage or other agreement or instrument to which it is a party or by which it or any of its properties is bound; or (b) infringe any existing applicable law, rule, regulation judgment, order or decree applicable to it or any international treaty convention or agreement to which it is a part or by which it is bound; and
  - (v) under the laws of the Participant it is not necessary that any stamp, registration or similar tax be paid on or in relation to this Agreement or the transactions contemplated by this Agreement.
