Dear Dr Buthelezi,

Re Confirmation of the Chenshia and NIH partnership on the Covid -19 vaccine order for South Africa

This writing serves to confirm that **Chenshia Granary (Pty) Ltd** (hereinafter referred to as "**Chenshia**") and **Nehawu Investment Holdings (Pty) Ltd** (hereinafter referred as "**NIH**") have been engaging with Sinopharm to apply for **EUA** under Section 21 to obtain the COVID-19 vaccine for the South African market.

As the partner of our company in South Africa, **Chenshia and NIH** will be responsible for submitting the registration dossiers of COVID-19 vaccine to the related regulatory authorities, and be responsible for obtaining the registration in South Africa.

Should you have any query please contact us at your earliest convenience.

Sincerely yours,

Mr. YAN Bing
Sinopharm International

Copy to Mr Dabing Chen of Chenshia and Dr Phillip Dexter of NIH
