Supply routes

Setting up the supply chain

Broad and equitable access

Gov needs to call the shorts on this –

AZ ↘(itself) 170 million doses

2 supply routes into SA

1) Serum Institutes →Cipla

2) R Pharm →middle east and Africa } continuity of supply plus competition

Or

Company who they be working with – need to sign agreement market authorization →local company
(Cipla for still)

Africa = AZ itself will not be marketing auth holder

Reliance model to speed up reg process

Bridging studies needed by SII

CMS convened medical Schemes ; private plus public sr=ector need plus protect HOW

AZ SA included in SII
