### Overview, terms and conditions

With this form, Member States commit to the purchasing of vaccine doses offered through the African Medical Supplies Platform (AMSP). The information on Member States' vaccine requirements and expression of interest provided in this form is critical for the finalisation of the terms and conditions for the AMSP's vaccine supply and financing.

**Step 4:** Complete the first section of the pre-order form by providing all necessary details, including the requesting institution, address, email to move to the next section of the form. Please note: you can save your responses as a draft to complete it at a later time on the same device.

Please take note of your country's allocation as indicated on the allocation table.

**Information required**  
Fields marked \* are mandatory

**Step 5: Complete the next section of the pre-order form by providing your country's total population, your COVAX status and your vaccine financing.**

Please note: you will be asked to provide details to create an escrow account or an Afreximbank standard account depending on your vaccine financing method. If you choose to pay via cash or other means, we require an escrow account as Afreximbank will still need to aggregate payment before transferring to the manufacturers.

The screenshot shows a web browser window with the URL `amsp.africa/vaccine-pre-order/`. The page header includes the logo for Africa Medical Supplies Platform and a navigation menu with categories: PRODUCT CATEGORIES, COVID-19 VACCINES, PARTNERS, MEDIA, and ABOUT US. The main content area features a large banner with the text "COVID-19 Vaccine Pre-Order" and a progress bar indicating "20% Complete". Below the banner, there are two sections: "Total number of vaccine doses required" and "Total population \*". The "Total population \*" section contains a text input field with a placeholder value of "0". A note below the field states: "Minimum number of persons to vaccinate (assuming minimum 60 per cent coverage of the Member State's population) \*". The browser's address bar shows "English" and "2 of 5".

**Step 6: Complete this third section of the pre-order form by confirming the total number of doses you want for each vaccine candidate.**

Please note: Select "here" to view your country's allocation for each vaccine type.

The screenshot shows a web browser window with the URL `amsp.africa/vaccine-pre-order/#frm_errors`. The page header includes the African Medical Supplies Platform logo and navigation links: PRODUCT CATEGORIES, COVID-19 VACCINES, PARTNERS, MEDIA, and ABOUT US. A progress bar indicates 40% completion, with a '3 of 5' indicator. Below the progress bar is a section titled 'Commitment to purchasing of doses through the African Medical Supplies Platform' with a link to view allocation. A checkbox for 'Indicative prices acknowledgement' is present, with a note that prices are indicative and include logistics costs. A table lists vaccine candidates: Pfizer/BioNTech at \$6.92 and Pfizer/BioNTech Vaccine Doses.
